Noting the annual report of the Commissioner-General of the United Nations Relief and Works Agency

for Palestine Refugees in the Near East, covering the period from 1 July 1968 to 30 June 1969,⁷

1. *Notes with deep regret* that repatriation or compensation of the refugees as provided for in paragraph 11 of General Assembly resolution 194 (III) has not been effected, that no substantial progress has been made in the programme endorsed in paragraph 2 of Assembly resolution 513 (VI) for the reintegration of refugees either by repatriation or resettlement and that, therefore, the situation of the refugees continues to be a matter of serious concern;

2. *Expresses its thanks* to the Commissioner-General and the staff of the United Nations Relief and Works Agency for Palestine Refugees in the Near East for their continued faithful efforts to provide essential services for the Palestine refugees, and to the specialized agencies and private organizations for their valuable work in assisting the refugees;

3. *Directs* the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East to continue his efforts in taking such measures, including rectification of the relief rolls, as to assure, in co-operation with the Governments concerned, the most equitable distribution of relief based on need;

4. *Notes with regret* that the United Nations Conciliation Commission for Palestine was unable to find a means of achieving progress in the implementation of paragraph 11 of resolution 194 (III), and requests the Commission to exert continued efforts towards the implementation thereof;

5. *Directs attention* to the continuing critical financial position of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, as outlined in the Commissioner-General's report;

6. *Notes with concern* that, despite the commendable and successful efforts of the Commissioner-General to collect additional contributions to help relieve the serious budget deficit of the past year, contributions to the United Nations Relief and Works Agency for Palestine Refugees in the Near East continue to fall short of the funds needed to cover essential budget requirements;

7. *Calls upon* all Governments as a matter of urgency to make the most generous efforts possible to meet the anticipated needs of the United Nations Relief and Works Agency for Palestine Refugees in the Near East, particularly in the light of the budgetary deficit projected in the Commissioner-General's report, and therefore urges non-contributing Governments to contribute and contributing Governments to consider increasing their contributions.
